

## Producer Licensing Bulletins Issued by Departments

Last Updated March 25, 2020

| State              | Issue Date     | Summary                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
|--------------------|----------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Alabama</b>     | March 25, 2020 | Pre-licensing completion certificates which expire in March or April are extended 60 days past expiration date. Classroom CE classes may be provided via webinar. Proctoring requirements are waived through the end of April.<br><a href="https://www.aldoi.gov/pdf/legal/ALDOI%20Bulletin%20No.%202020-03.pdf">https://www.aldoi.gov/pdf/legal/ALDOI%20Bulletin%20No.%202020-03.pdf</a>                                                                                                        |
| <b>Connecticut</b> | March 23, 2020 | Renewal date for licenses that expire from March 24, 2020 to May 31, 2020 are extended to June 30, 2020. CE compliance requirements that must be completed between March 24, 2020 to May 31, 2020 are extended to June 30, 2020. CE classes that were offered in the classroom may be offered as a webinar.<br><a href="https://portal.ct.gov/CID/Public-Notices/Licensing-Renewal-Notice-During-COVID-19">https://portal.ct.gov/CID/Public-Notices/Licensing-Renewal-Notice-During-COVID-19</a> |
| <b>Hawaii</b>      | March 19, 2020 | Workers compensation adjuster licenses subject to renewal on April 16, will be extended without examinations until 45 days after the examinations are made available. Renewal fees must be paid and an explanation must be provided to the Commissioner. <a href="https://cca.hawaii.gov/ins/files/2020/03/IC-Memo-2020-2LIC.pdf">https://cca.hawaii.gov/ins/files/2020/03/IC-Memo-2020-2LIC.pdf</a>                                                                                             |
|                    | March 18, 2020 | New producer and surplus lines licenses should continue to go through NIPR. Renewal licenses should continue to process online through the department. Reinstatement over two years must be done on paper.<br><a href="https://cca.hawaii.gov/ins/files/2020/03/Commissioners-Memo-re-New-Renew-React-Licenses-2020-1LIC.pdf">https://cca.hawaii.gov/ins/files/2020/03/Commissioners-Memo-re-New-Renew-React-Licenses-2020-1LIC.pdf</a>                                                          |
| <b>Indiana</b>     | March 24, 2020 | Licensees who are unable to complete continuing education requirements due to examination site closures (March 16-potentially reopening on April 16, 2020) whose licenses expired will have 90 days to take the exams. <a href="https://www.in.gov/idoi/2611.htm">https://www.in.gov/idoi/2611.htm</a>                                                                                                                                                                                           |
| <b>Kentucky</b>    | March 17, 2020 | Extends deadline for compliance with CE examinations for March and April licensees. March 31 moves to May 31 and April 30 moves to June 30.<br><a href="http://insurance.ky.gov/PPC/static_info.aspx?static_id=156">http://insurance.ky.gov/PPC/static_info.aspx?static_id=156</a>                                                                                                                                                                                                               |
| <b>Louisiana</b>   | March 25, 2020 | Allows for temporary license of a producer who has taken an approved pre-licensing course and would be eligible to sit for a test. All temporary licenses expire on May 15. Temporary licenses may be converted. <a href="https://ldi.la.gov/docs/default-source/documents/legaldocs/rules/rule38-cur-temporarylicensingof">https://ldi.la.gov/docs/default-source/documents/legaldocs/rules/rule38-cur-temporarylicensingof</a>                                                                 |
| <b>Maryland</b>    | March 12, 2020 | Extends deadline for license renewals to 30 days after this emergency order is lifted.<br><a href="https://governor.maryland.gov/wp-content/uploads/2020/03/Licenses-Permits-Registration.pdf">https://governor.maryland.gov/wp-content/uploads/2020/03/Licenses-Permits-Registration.pdf</a>                                                                                                                                                                                                    |

*continued*

|                      |                |                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
|----------------------|----------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Nebraska</b>      | March 23, 2020 | Resident licenses expiring in March or April may be granted a 90-day extension of the CE requirement. Must request an extension from the DOI.
