NIPR Resellers are companies that leverage NIPR's data to create value-added services that can be utilized by the insurance industry. Resellers interface directly with Producer Database (PDB) and/or NIPR Gateway to provide their customers with enhanced reporting options, upgraded tools for submission and retrieval of licensing and appointment information, and other services that may not currently be offered by NIPR.

Resellers have the ability, but are not required, to extend benefit to NIPR offerings which include:

> Producer Database

> Appointments & Terminations

> Company Appointment Report Alerts

> Resident Licensing

> Non-Resident Licensing

> Resident License Renewals

> Non-Resident Licensing Renewals

> Contact Change Requests

NIPR makes no claim or representation regarding, and accepts no responsibility for, the quality, content, nature or reliability of these third-party Reseller's websites or products. Resellers are not under the control of NIPR, and NIPR is not responsible for the contents of the reseller websites or products.

NIPR provides these links to you as a convenience and the inclusion of any link does not constitute endorsement or recommendation by NIPR of the Resellers' websites, information or products. The links are not intended to be a comprehensive list of providers or companies offering similar products or services.

The term Reseller is used for identification purposes only. A Reseller is not a partner, joint venturer, agent or representative of NIPR.
